ABOUT ME

I am very passionate about learning new things, and eager for new challenges where I can utilize technical knowledge i have gained so far. Trough life, i always knew there is some field i can give and be 110% of myself. I finally found it. I would like the opportunity to dive into the world of IT and show how beneficial i can be.

EDUCATION

IT BOOTCAMP

Basics of web programming - python

- 192 hours of theory and practical examples
